

## Meeting Announcement for County Website

A Community Input Meeting will be held on September 28, 2009 at 5:30 p.m. to discuss a proposed subdivision located on US Highway 64 West, approximately one-half mile west of Pleasant Hill Church Road. The meeting will be held at the law office of Bradshaw and Robinson, LLP, at 128 Hillsboro Street, Pittsboro, NC 27312 (in the second block north of the traffic circle on the right just before Elizabeth's Pizza restaurant). The meeting is scheduled to last approximately one-half hour. One acre of this approximately 43 acre parcel will be subdivided so as to create a separate lot for the cell tower that is already constructed and in use. No new construction is proposed. The Chatham County Commissioners are considering zoning this one acre parcel as light industrial in order to have its zoning match its current use. The purpose of subdividing out this one acre parcel is to make a clear separation between the one acre light industrial parcel and the remaining residential/agricultural 42 acres. A representative will be available to answer any questions there may be, and all interested parties are encouraged to attend to offer feedback. A location of the property to be subdivided, detailed directions to the meeting site, and the proposed development plan are available below. Please contact Carole Barr at 704/482-5089 for more information.
