4. Is there anything on the Draft Joint Plan Map that is unclear to you? (Including the Notes and Legend text, etc.) Are there any Notes or Text that you'd like changed? Please describe:

5. The Joint Land Use Plan provides recommendations for future land use types and densities. In addition to this plan, Chatham County and the Town of Cary intend to create *development design guidelines* that will establish standards governing the detailed design and layout of individual development projects. What sorts of topics do you think should be addressed by these guidelines?
