Dear Mr. Randall,

Please find enclosed one original and two (2) copies of the Joint Stage 1 Adaptive Management Program Proposal for Existing Development for Chatham County and the Town of Pittsboro. The two jurisdictions have determined that it is more cost effective and practical to propose a joint program to meet Session Law 2009-216.

Our intention is to develop and execute an Interlocal Agreement between our local governments sometime after the Division of Water Quality (DWQ) and the NC Environmental Management Commission (EMC) have reviewed and approved the Stage 1 program proposal.

If you have questions or comments as you review the proposed program package, please do not hesitate to contact Fred Royal, PE, Director of Environmental Resources Division, Chatham County (919) 542-8268 or David Monroe, Planning Director, Town of Pittsboro, (919) 542-4621.

Sincerely yours,

Charlie Horne
