

# Town of Cary - Chatham County Joint Land Use Plan Option A Joint Subcommittee Recommendation

### Draft Plan A Cary - Chatham Land Use Plan

- Medium Density Residential**  
Up to 4 dwellings per acre, single family detached or attached. May also include certain non-residential neighborhood supportive uses such as schools, daycares, churches, and other. See Plan Document for details.
- Low Density Residential**  
Up to 1-2 dwellings per acre, single family detached or attached. May also include certain non-residential neighborhood supportive uses such as schools, daycares, churches, and other. See Plan Document for details.
- Very Low Density Residential**  
Up to 1 dwelling per 3-5 acres, single family detached or attached. May also include certain non-residential neighborhood supportive uses such as schools, daycares, churches, and other. See Plan Document for details.
- Commercial / Retail**  
Includes shopping/retail uses, dining, entertainment, services, and related. See Plan Document for details.
- Mixed Use Node**  
A Mixed-use Node may be placed within or near the general locations indicated on the map. The nodes should generally include a mix of non-residential and residential uses, designed in a cohesive, walkable, and pedestrian-friendly manner. The commercial component should be limited to no more than a typical neighborhood-scale shopping center. See Plan Document for details.
- Office/Institutional**  
Includes general office space, medical offices, banks, schools, daycares, places of worship, libraries, etc. See Plan Document for details.
- Industrial**  
Includes tax-qualified industrial uses, light manufacturing, warehousing and distribution, and transportation-related uses. See Plan Document for details.
- Parks, Open Space, Golf Course**  
Public and private parks and golf courses, and public permanent open space. See Plan Document for details.
- Stream**  
Streams as indicated by U.S. Geological Survey maps. Actual stream locations and types have not been field-verified, and may vary from those shown. See Plan Document for details.
- Stream Buffer**  
Naturally vegetated buffers adjacent to qualifying streams. Slove actual stream locations and types have not been field-verified, the final actual buffers may vary. See Plan Document for details.
- Rural Buffer Boundary**  
Public water and/or sewer should not be provided to properties located west of this boundary line. However, public utilities may be provided when necessary to "rescue" a property having a failed private water or sewer treatment system, provided that both Cary and Chatham County agree to the rescue. See Plan Document for details.

**General Note:**  
Boundaries of Land Use Designations: The boundaries between the various land use categories shown on the Plan Map are intended to be general in nature, and are not intended to be absolutely "fit or" on the exact locations shown. See Plan Document for details.
