**Resolution of the Chatham County Board of Commissioners**

**RESOLUTION IN SUPPORT OF DESIGNATION OF THE  
CHATHAM-RANDOLPH MEGASITE AS A N.C. CERTIFIED SITE**

**WHEREAS**, Two land owners have assembled approximately 1,625 acres of land with rail frontage near the Chatham and Randolph County line, north of US Highway 64; and

**WHEREAS**, The property is located almost entirely within the extra territorial jurisdiction of Siler City; and

**WHEREAS**, The owners have invested in preliminary engineering studies including existing conditions, zoning, utility availability, elevation/topography studies, slope analysis, and buildable area analysis; and

**WHEREAS**, The land owners have expressed interest in pursuing site certification through the North Carolina Certified Site Program; and

**WHEREAS**, The site, upon certification, will be the only certified megasite (defined as a site of at least 1000 acres) in the State of North Carolina; and

**WHEREAS**, Should a large manufacturing company locate on the site, hundreds of primary jobs would be created, as well as hundreds of additional spin off jobs.

**NOW THEREFORE, BE IT RESOLVED** by the Chatham County Board of Commissioners that we support the effort to certify the site along the Chatham and Randolph County border west of Siler City, North Carolina.

Adopted this 11<sup>th</sup> day of March, 2013.

Walter Petty, Chairman  
Chatham County Board of Commissioners
