

HOW TO SEARCH FOR SCANNED SEPTIC PERMITS

1. To obtain a copy of the septic and/or well permit on file, visit: <http://chathamgis.com/>

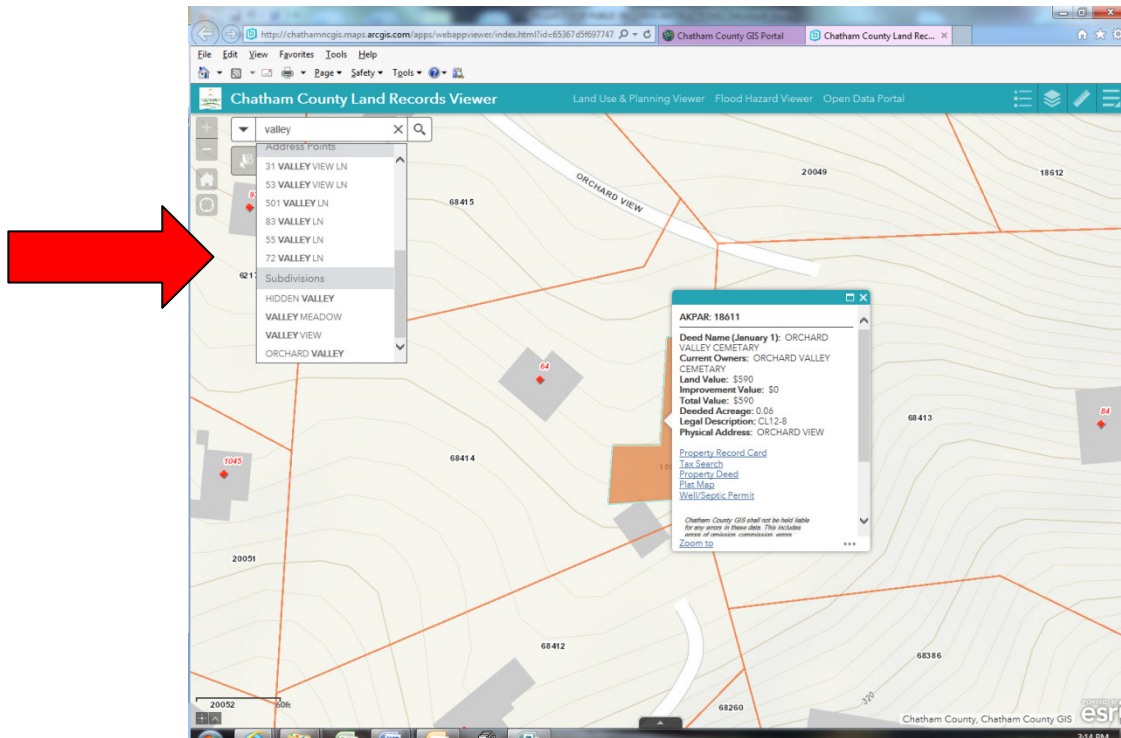

Click on the map:

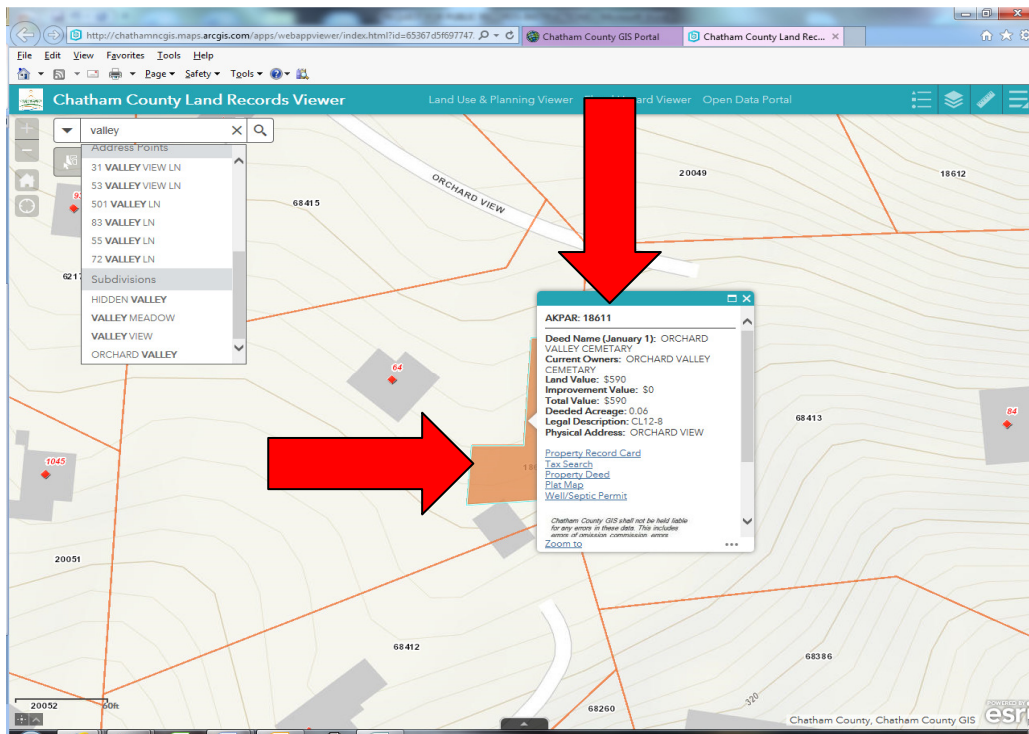

2. Search for the property (by Address, Owner, Parcel Number or Subdivision)

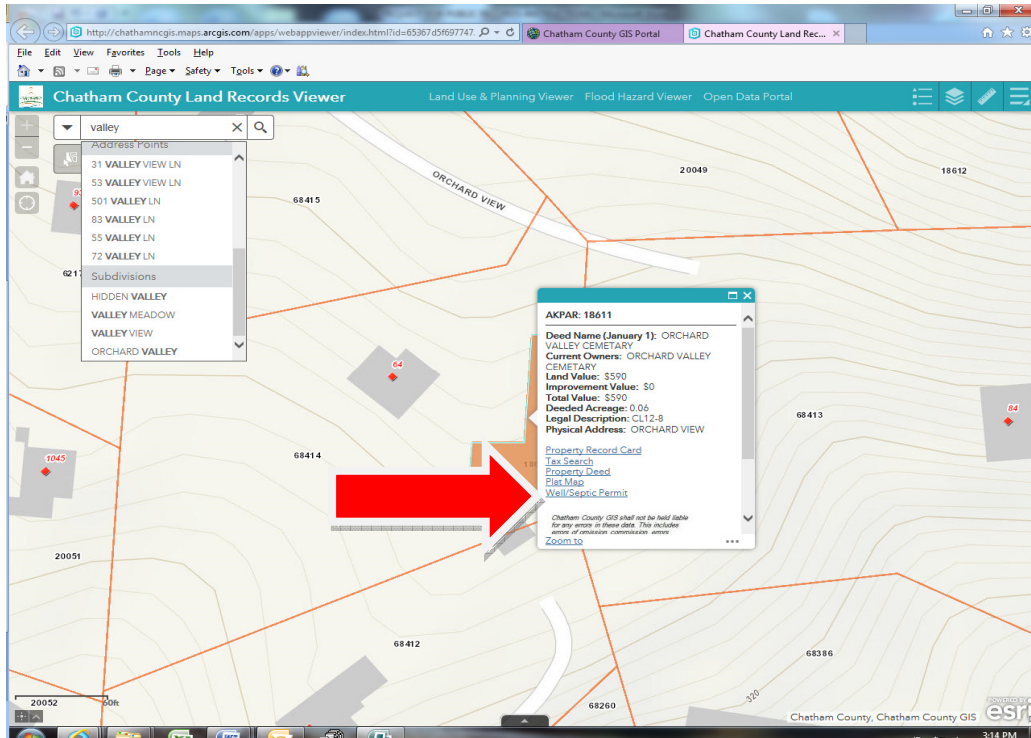

3. Make a selection from the dropdown box

4. Click on the parcel you are searching for and a window will open up.

5. Click on, "Well/Septic Permits"

*****If a Well/Septic Permit is available, it will open up in a new window. If no permit is available at this time, you will get an error page*****
