Mr. James O'Mara

O'Mara Landscaping

PO Box 4386

Chapel Hill, NC 27514-4386

Dear James,

For yardwaste at your Manns Chapel Rd site, we will haul to McGill Environmental in New Hill, there in Chatham County. All the material will be ground up and used in the making of soil amendments in a high-tech composting process. The soil amendments are then used by landscapers in their work.

Please let me know if you need additional information.

Sincerely,

A handwritten signature in cursive script that reads "Mark".

Nash Corzine
