## Section B. SUBMITTAL INFORMATION AND PROCEDURE

---

- (1) Sixteen (16) completed application packets and all supporting information shall be submitted to the Planning Department upon approval and completion of sufficiency review by staff. A digital copy of the application packet shall be submitted pursuant to the Planning Department Digital Document Submission Guidelines.
- (2) The Planning Department shall, before scheduling the public hearing, ensure that the application contains all the required information as specified in Section 5 of the zoning ordinance.
- (3) The Planning Department shall have fifteen (15) days from the date of submittal to notify the applicant that the application is complete for scheduling the public hearing.
  - a. If the Planning Department determines the information is not sufficient for review, the Department shall notify the applicant of the specific information that is required for review.
  - b. The Planning Department shall take no further action on the application until the applicant submits the required information.
  - c. Once the applicant corrects the identified deficiencies, the applicant shall resubmit to the Planning Department at least 45 days prior to the next Public Hearing meeting, and the Department shall have 15 days to review the information and notify the applicant that the information is sufficient for review.
  - d. A determination that an application contains sufficient information for review as provided in this subsection (b) does not limit the ability of other county agencies, the Planning Board or the Board of Commissioners to request additional information during the review process.
- (4) The application is reviewed by the Technical Review Committee prior to the Public Hearing for comments and recommendations from other agencies.

## Section C. SUPPLEMENTAL INFORMATION REQUIRED WITH THE APPLICATION and REQUIRED INFORMATION TO BE INCLUDED ON THE SITE PLAN

---

**PLEASE INCLUDE ALL OF THE FOLLOWING (CHECK OFF).** Please check the list below carefully before you submit:

- (1) The application shall include a **site plan**, drawn to scale or as approved by planning staff, with supporting information and text that specifies the actual use or uses intended for the property and any rules, regulations, and conditions that, in addition to the predetermined ordinance requirements, will govern the development and use of the property. The following information must be provided, if applicable:
    - a. Information showing the boundaries of the proposed property as follows:
      1. If the entire parcel will be zoned, a GIS or survey map and parcel number of the subject property.
      2. If only a portion of the parcel will be zoned, a boundary survey and vicinity map showing the property's total acreage, parcel number, current zoning classification(s) and the general location in relation to major streets, railroads, and/or waterways,
    - b. Legal Description of proposed conditional zoning district;
    - c. All existing and proposed easements, reservations, and rights-of-way;
    - d. Proposed number and general location of all building sites, their approximate location, and their approximate dimensions;
-

- e. Proposed use of all land and structures, including the number of residential units and the total square footage of any non-residential development;
- f. All yards, buffers, screening, and landscaping required by these regulations or proposed by the applicant; **(SECTION 12 LANDSCAPING & BUFFERING REQUIREMENTS)**
- g. All existing and proposed points of access to public and/or private streets;
  - h. Stream buffers required through this or other Chatham County Ordinances or Regulations, and other Local, State, or Federal regulatory agencies. Delineation of areas within the regulatory floodplain as shown on the Official Flood Insurance Rate Maps for Chatham County;
- i. Proposed phasing, if any;
- j. Generalized traffic, parking, and circulation plans; **(SECTION 14 OFF STREET PARKING)**
- k. Proposed provision of utilities;
- l. The location of known sites of historic or cultural significance within or adjacent to the project area, including any structure over 50 years old;
- m. The approximate location of any cemetery;
- n. Proposed number, location, and size of signs; **(SECTION 15 SIGN REGULATIONS)**
- o. Location and description of any proposed lighting on the project site with a note that any lighting will comply with Section 13; **(SECTION 13 LIGHTING STANDARDS)**
- p. The location of existing and/or proposed storm drainage patterns and facilities intended to serve the proposed development, and impervious surface calculations; and
- q. Environmental Impact Assessment pursuant to **Section 11.3** of the Zoning Ordinance, if applicable. **If you are or will be disturbing 10 or more acres in connection with this application, you are required to submit and EIA with this application. Failure to do so will result in the delay of scheduling your request for public hearing or may be returned completely for re-submission.**

**The above information is required to be shown on the site plan submitted with this application. If, for some reason, any of the required items above are not included on the site plan, reasons for excluding those requirements must be given.**

- (2) In the course of evaluating the proposed use, the Zoning Administrator, Planning Board, Chatham County Appearance Commission, or Board of Commissioners may request additional information from the applicant. This information may include, but not be limited to, the following:
- a. Proposed screening, buffers, and landscaping over and above that required by these regulations, as well as proposed treatment of any existing natural features;
  - b. Existing and general proposed topography;
  - c. Scale of buildings relative to abutting property;
  - d. Height of structures;
  - e. Exterior features of the proposed development;
  - f. A traffic impact analysis of the proposed development prepared by a qualified professional. The traffic impact analysis shall follow the NCDOT TIA Analysis Guidelines, and shall also include consideration for non-motorized and public transportation;
  - g. Any other information needed to demonstrate compliance with these regulations.

**NOTE: The Zoning Administrator has the authority to waive any application requirement where the type of use or scale of the proposal makes providing that information unnecessary or impractical.**
