

Comments for the Election Method Task Force

We invite residents to provide feedback and suggestions as the Election Methods Task Force does its work. Information will be shared with the members.

1. Where in Chatham County do you live?

- Commissioner District 1
- Commissioner District 2
- Commissioner District 3
- Commissioner District 4
- Commissioner District 5
- Not sure

2. As of July 2018, the Election Method Task Force has identified three options for electing the Chatham County Board of Commissioners and seeks your feedback on these no later than 5 PM on AUGUST 10, 2018.

- A. Residency districts — This is the current election method. Commissioners must reside in a district, but are elected at large by all voters.
- B. Voting districts — All Commissioners would reside in a district and be elected by only the voters of the district.
- C. Combination — Two commissioners would be elected at large (no residency requirement) and five would be elected only by the voters in their district.

Based on these options, please select the **ONE option** that most reflects your opinion.

- A. Residency Districts
- B. Voting Districts
- C. Combination
- Not sure or none of the above

3. Please provide your comments and suggestions below:

4. OPTIONAL: Provide contact information below if you like:
