Pittsboro N.C. 27312

Personnel assigned to this office have conducted a review of the permit application & plans and approval is granted subject to the following stipulations:

1. This approval covers only work associated with the construction of an entrance connection to the NCDOT maintained roadway.
2. The entrance onto SR 1817 is to be constructed in accordance with the attached plan sheets.
3. The entrance onto SR 1817 shall require radii on each side of the driveway as shown on the attached drawing.
4. No parking or outdoor advertising (signs) shall be allowed inside the right of way of SR 1817.
5. Any areas inside the right of way disturbed during construction shall be seeded and mulched immediately upon completion of construction.
6. Upon completion of construction, final approval by the District Engineer is required prior to opening the access connection for public use (page 9 Driveway Manual).
7. **The Owner/Developer & Engineer is advised that any changes to the approved site plan or construction of any structures which will add additional traffic to the site will require issuance of a new driveway permit and encroachment by NCDOT.**
8. **Any work proposed within exiting or proposed NCDOT right of way not covered in the above stipulations shall be constructed in accordance with an NCDOT approved**
