Kim,

I have reviewed and approved the plans for the Bonterra Subdivision and NCDEQ issued an Authorization to Construct on May 3, 2019. Let me know if you need anything else from me. Have a great day.

Hi Larry,

I was just speaking with Kimberly Tyson with regard to the construction drawing approval for the Bonterra Subdivision. She was looking for a approval letter from your office for the public water improvements. I didn't find one in my file. Would you be able to send me a letter tomorrow as we are trying to get on the TRC agenda for July 17th and Kim would need this letter by this Friday (7/12). Please let me know if you have any questions.

Thank you,
Pete
