Randy:

Good afternoon. This is a new phase to a previously approved subdivision. Morgan Ridge Phase 1 was 16 lots and it was approved last year. Phase 2 includes 36 lots. Please see the attached letter and concept plan and let me know if you have any questions.

We are requesting school capacity for the 36 proposed lots.

Thank you,

Warren Mitchell

Mr. Warren,  
Thank you for the information.

Randy
