WHEREAS, the 911 Board allocated funds for the purposes identified in the grant application;

NOW, THEREFORE, the Parties enter into this Agreement, and in consideration of the mutual promises and such other valuable consideration as shall be set out herein, the Parties hereto do mutually agree to the following terms and conditions:

1. Definitions:

 - f. Interlocal agreement: Reserved.
 - g. State Funds: Any funds appropriated by the N.C. General Assembly or collected by the State of North Carolina. The Grant Funds are State Funds. Grantee recognizes that the expenditure of money deposited in the State treasury, including the 911 Fund, is subject to acts by the General Assembly and actions of the Budget Director.
 - h. Subgrantee: As defined in N.C. Gen. Stat. §143C-6-23(a)(4), a non-State entity that receives a grant of State funds from a Grantee of a State Agency, here the 911 Board, or a Subgrantee of a Grantee, but does not include any non-State entity subject to the audit and other reporting requirements of the Local Government Commission.

To the extent that the Project includes expenses that are not eligible for reimbursement and which are not included in the Grant Funds allocated by the 911 Board, Grantee shall be responsible for all expenses for the non-eligible items. For eligible expenses limited by the 911 Board policies, e.g. chairs, Grantee shall be responsible for all expenses exceeding the expense limitations for such items.
 - b. Goals and objectives include:
 1. Improved radio coverage, establishing radio communications throughout the county between fixed and mobile units, increasing reliability in radio communications and interoperability with neighboring jurisdictions.
 2. Adhere to rules for PSAP facilities within 09 NCAC 06C.0210, and for the use of grant funds, as stated within 09 NCAC 06C.0400.  - c. Grantee shall submit a revised budget and work plan within sixty (60) days of signing this Agreement together with details of the architectural and building plans representing any changes from the Grant Application. If not within sixty (60) days, then such revisions shall be submitted in a timely manner together with any changes in the Project Schedule set forth below. Revisions and work plan changes shall identify environmental and geotechnical site survey results, any abatement requirements, an assessment of the towers as proposed in the Grant Application, and associated costs as well as the source(s) of funds to complete any conditions, contingencies or abatements.

Revisions and work plan changes should identify project component details (as identified in the Grant Application) and costs identified in the Grant Application together with a timeline that includes component details. These revised documents must reflect any changes and special conditions of the Grant award. The budget must include any matching funds or funds from other sources and the anticipated time when such funds will be spent. Grantee shall identify potential or contingent sources of funding including but not limited to other grants during the term of this Agreement. The work plan should include a timeline and specific milestones and/or deliverables that will be used to measure interim progress and accomplishments of the project during the term of this Agreement. Grant Funds will not be released until these revised documents are approved by the 911 Board Executive Director.

d. Grantee will draft one or more Requests for Proposal to be utilized by Grantee in development, procurement and/or operations of the Project consistent with the grant application and approved project budget.

e. Grantee will collect and compile documents as directed by the 911 Board for the purpose of Grantee's verifying the requirements of Article 15, Part 10 of Chapter 143B of the N.C. General Statutes.

f. Grantee shall assist the 911 Board in any audits of Grant Funds by supplying required document(s) to satisfy the requests of an auditor.

3. Changes in the Project.

a. If changes or extra work are requested with respect to the Project, such changes must be authorized in writing by the Parties. The 911 Board will not approve any changes that exceed its authority under N.C. Gen. Stat. §143B-1400 *et seq.*, or subsequent modification thereof.

b. Any work referred to in Paragraph 3(a) above shall be the subject of a separate written agreement stating the costs and schedule for completing any such extra work.

c. Each Party shall immediately notify the other of any change in conditions or applicable law, or any other event, which may significantly affect its ability to perform the Project.

d. The Parties agree that the 911 Board may assign this Agreement to its successor, if any; or continue the Agreement by amending the term if legislation is enacted that does, or may, affect the term of this agreement.

e. A request for change in the project period requires advance written approval by the 911 Board Executive Director. The request must be submitted in writing, stating the basis for the request, to the 911 Board Executive Director at least sixty (60) calendar days prior to the expiration of the Grant. The Grantee shall submit a revised budget and any other documentation or information requested by the 911 Board Executive Director indicating the planned use of all unexpended funds during the extension period.

4. Consolidation. Reserved.

5. Term of Agreement. The Parties intend that the term of this Agreement shall begin upon the Effective Date and extend through 31 December 2020 (End Date). The effective period of this Agreement shall commence upon completion by the Parties' authorized signatories (the

Effective Date), and terminate upon the End Date unless sooner terminated under Paragraph 14; or amended by written agreement to extend said date by the Parties or their successors in interest.

6. Project Schedule. Grantee shall prepare and deliver a project schedule consistent with this Agreement that substantially conforms to the following:

- a. The Project is anticipated to be completed in approximately 14 months.  - iii. Purchase necessary equipment.
 - iv. Install, test, and accept new technology.
 - v. Go-live with the new radio system.
- c. The Chatham County PSAP will continue to operate during the construction and upfitting of the facility; therefore, there will be no disruption to 911 call taking and emergency dispatching services.
- d. Grantee shall prepare and release one or more solicitation documents comprising RFPs or other similar documents in compliance with the Project schedule presented in the Grant Application, and as such may be amended.
- e. Contracts based upon Grantee's solicitation documents shall be awarded in a timely manner in compliance with the Project schedule presented in the Grant Application, and as such may be amended.

7. Delivery of Grant Funds. The total Grant Funds equal Two Million Three Hundred Thirty-Nine Thousand Six Hundred Eight (\$2,339,608.00) Dollars. Grant Funds shall be held by the 911 Board and delivered as follows:

- a. Funds shall be released to Grantee after receiving copies of Grantee's contracts, purchase orders and invoices therefor, and Grantee's satisfactory completion of its obligations under this Agreement. Grant Funds shall not be used for updating data gathered during the Project. The 911 Board may release Grant Funds directly to subgrantees upon receipt of evidence satisfactory to the 911 Board Executive Director that all conditions necessary to release such Funds have been satisfied. Such evidence may comprise demonstrated compliance with work and payment schedules of this Agreement and any agreement with a Subgrantee, relevant contracts, purchase orders and invoices therefor, satisfactory completion of testing and acceptance criteria of Grantee's contracts with its vendors, approval of the Grantee, and such other evidence as the Executive Director deems reasonably necessary or proper. Payment schedules may include pre-determined progress payments, payments based upon time and materials that are not to exceed a maximum amount, retainage, and such other terms that are consistent with this Agreement.

- b. Grant Funds are allocated as follows: towers, radio equipment, microwave equipment and paging system. Provided that grant funds shall not be used for shelters or buildings as requested in the Grant Agreement together with associated equipment and tower site preparation.
- c. Grant Funds shall not be released, or paid, in advance of performance of actual services or reimbursable purchases, nor paid for interest, allocations for budget contingencies, maintenance or other services in future fiscal years. Funds shall be applied to ineligible expenses as identified in the Grant Application as authorized by N.C. Gen. Stat. §143B-1407(b)(4), and to expenses that are eligible under N.C. Gen. Stat. §143B-1400 *et seq.* and the policies of the 911 Board.
- d. Indirect costs and administrative costs will not be allowable charges against Grant Funds unless such costs are specifically included in the approved Project budget as incorporated into the award.
- e. Grantee will maintain full, accurate, and verifiable accounting records to support the preparation of financial statements in conformity with accounting practices applicable to N.C. local governments as approved by, or consistent with, standards of the Local Government Commission. Expenditures must be consistent with the Project Budget and N.C. Gen. Stat. §143B-1400 *et seq.*
- f. In the event Grantee breaches any of the covenants or agreements contained in this Paragraph, or any of the representations and warranties of Paragraphs 9, 19, and 24 are untrue as to a material fact as of the date of this Agreement, Grantee agrees to return any unearned Grant Funds held by Grantee and refund sums equal to any non-qualified expenditures paid with Grant Funds. Grantee's obligations that are created by this subsection (f), to return Grant Funds and to refund sums, apply only to Grant Funds held by Grantee. Grant Funds are "held" by Grantee only to the extent they are in the actual, not constructive, possession of Grantee.
- g. Grantee must attend workshops or other instructional sessions relating to administration of the Grant or use of 911 Funds provided by the 911 Board during the term of this Agreement.
- h. Funds identified with contingencies or escalations as presented in Grantee's budget documents and financial forecasts shall revert to the Board's Grant Fund if unused or unallocated in a timely manner.
8. Travel Expenses. The approved budget does not include travel costs. Such costs, if any, are limited to reimbursement rates set forth in N.C. Gen. Stat. §138-6; as interpreted by the Office of State Budget and Management, and as amended from time to time. Further expenditures for travel, conferences, software or equipment that are not within the deliverables and payment schedule annexed hereto and as presented in the approved budget may be reimbursed at the rates set forth in N.C. Gen. Stat. §138-6; as interpreted by the Office of State Budget and Management, and as amended from time to time. The State of North Carolina's Travel Policy is contained in the State Budget Manual located on the Internet at <http://www.osbm.state.nc.us>. Original receipts for such expenses shall be retained by Grantee.

9. Independent Status of Grantee.

a. It is agreed between the Parties that neither this Agreement nor any provisions hereof shall be deemed to create a partnership or joint venture between Grantee and any third party; nor with the 911 Board. It is further agreed that except for the rights expressly granted to Grantee or the 911 Board in this Agreement, neither of them shall have any proprietary rights in the Project.

b. The Parties acknowledge that Grantee is an independent entity. Grantee shall not represent itself as an agent of the 911 Board; nor shall the Agreement be construed so as to make Grantee an agent of the 911 Board. Grantee shall not have the ability to bind the 911 Board to any agreement for payment of goods or services, nor shall it represent to any person or entity that it has such ability. Grantee shall be responsible for payment of all its expenses, including rent, office expenses and all forms of compensation to employees. Grantee shall provide workers compensation insurance to the extent required for its operations and shall accept full responsibility for payments of unemployment compensation, social security, income taxes and any other charges, taxes or payroll deductions required by law in connection with its operations, for itself and its employees who are performing work pursuant to this Agreement. All expenses incurred by Grantee are its sole responsibility. The 911 Board shall not be liable for the payment of any obligations incurred in the performance of the Project.

10. Conflicts of Interest. Grantee acknowledges and represents that it has adopted policies governing conflicts of interest and ethics in the exercise of its authority, and its actions under this Agreement. Grantee will review, disclose and employ its best efforts to resolve any anticipated or reported conflict of interest or issue involving its ethics policies during the performance of this Agreement. Grantee shall, upon request, submit a copy of its conflict to interest policy, and shall ensure that such policy conforms to the requirements of N.C. Gen. Stat. §143C-6-23 and other applicable laws.

11. Obligation of Funds. Grant Funds provided by the 911 Board may not be utilized for expenses incurred by Grantee prior to the Effective Date or subsequent to the End Date. All unpaid obligations incurred prior to the End Date shall be paid and satisfied by Grantee within thirty (30) days thereafter. Prior approval shall not be required for changes that affect the approved budget unless a line item in the Budget Allocation (7(b) hereinabove) is exceeded by ten (10%) percent or \$500.00, whichever is greater. Any changes in the approved budget that would result in the addition or deletion of a budget category shall require prior approval from the 911 Board.

12. Project Records.

a. Grantee shall maintain full, accurate and verifiable financial records, supporting documents, and all other pertinent data for this Project in such a manner so as to identify and document clearly the expenditure of Grant funds provided under this Agreement, separate from accounts for other awards, monetary contributions, or other revenue sources for this Project.

b. Grantee shall retain all financial records, supporting documents, and all other pertinent records related to the Project for five (5) years from the End Date. In the event such records are audited, all Project records shall be retained beyond such five (5) -year period until any and all audit findings have been resolved.

c. Pursuant to N.C. Gen. Stat. §143C-6-23, and §147-64.7, Grantee agrees to make available to the State Auditor, Board, or designated representatives of the foregoing, all of its records which relate to the Project, and agrees to allow the 911 Board or its representative to audit, examine and copy any and all data, documents, proceedings, records and notes of activity relating in any way to the Project. Access to these records shall be allowed upon request at any time during normal business hours and as often as the 911 Board or its representative may deem necessary.

d. Grantee acknowledges and agrees that it will be subject to the audit and reporting requirements prescribed by N.C. Gen. Stat. § 143C-6-23 *et seq.*, Non-State Entities Receiving State Funds or N.C. Gen. Stat. §159-34, The Local Government and Fiscal Control Act - Annual Independent Audit, Rules, and Regulations; as applicable. Such audit and reporting requirements may vary depending upon the amount and source of funding received by Grantee, and such are subject to change from time to time. Grantee shall constantly monitor all performance under Grant-supported activities, including activities performed by Sub-grantees, to ensure that time schedules are being met, projected work units by time periods are being accomplished, and other performance goals are being achieved. Such obligations to comply with the Board's or other agency's monitoring activities shall survive grant closeout and the termination of this Agreement.

13. Publications.

a. Any published or distributed reports, data, or other information shall contain a disclaimer statement to the following effect: *Any opinions, findings, conclusions, or recommendations expressed in this publication are those of the author(s) and do not necessarily reflect the view and policies of the 911 Board.*

b. 911 Board may publish or arrange for the publication of information resulting from work carried out under this Agreement, and copyright any books, publications, films, or other copyrightable materials developed in the course of or resulting from work under this Agreement.

c. Upon publication of materials resulting from the work of the Project, Grantee shall furnish a minimum of two copies of reprints to the 911 Board.

14. Termination; Availability of Funds.

a. If Grantee fails for any reason to fulfill in a timely and proper manner its obligations under this Agreement, the 911 Board shall thereupon have the right to terminate this Agreement by giving written notice to Grantee of such termination and by specifying the effective date of termination. For the avoidance of doubt, Grantee's failure to i) appropriate funds necessary to complete the project, ii) failure to resolve contingencies arising from geotechnical site surveys, or iii) failure to erect satisfactory communications towers shall be reason for termination. In such event, the 911 Board shall have no responsibility to make additional payments under this Agreement after the End Date. No further expenditures shall be made under this Agreement except for such work as shall have already been performed prior to the End Date and Grantee shall return all unearned funds upon the demand of the 911 Board. The Grantee shall not be relieved of liability to the 911 Board for damages sustained by the 911 Board by virtue of any breach of this Agreement, and the 911 Board may withhold payment to the Grantee for the

purpose of set off until such time as the exact amount of damages due the 911 Board from such breach can be determined.

b. Failure to complete any necessary environmental abatement, or failure to appropriate funds to complete such abatement, shall result in termination of this Agreement. The Parties may terminate this Agreement by mutual consent upon sixty (60) days notice. Notice may be given by either party to the other at the addresses and to the attention of the Party's representative specified in Paragraph 28 below.

c. Termination of the contract by the Grantee shall not prohibit the 911 Board from seeking remedies for additional costs consequential to the termination, which are incurred by the 911 Board. The Grantee shall repay to the 911 Board any Grant Funds received in excess of the payment due under this Agreement.

15. Liabilities and Loss. The 911 Board assumes no liability, nor shall it have any liability under this Agreement, with respect to accidents, bodily injury, illness, breach of contract or any other damages, claims, or losses arising out of any activities undertaken by Grantee or its contractors under this Agreement, whether with respect to persons or property of Grantee, or third parties. Grantee agrees to obtain insurance to protect it and others as it may deem desirable, or, if it elects not to obtain such insurance, it represents that it has adequate resources available to it for this purpose. Further, Grantee agrees to indemnify, defend and save harmless the 911 Board, and their respective officers, agents and employees against any liability, including costs and expenses and attorney's fees, for the violation of any proprietary right or right of privacy arising out of the publication, translation, reproduction, delivery, performance, use or disposition of any information published resulting from the work of the Project or based on any libelous or other unlawful matter contained in such information. Grantee also further agrees to indemnify, defend and save harmless the 911 Board, and their respective officers, agents and employees from any and all claims and losses accruing or resulting to any and all subgrantees, laborers and any other person, firm or corporation furnishing or supplying work, services, materials or supplies in connection with the Project and the performance of this Agreement, and from any and all claims and losses accruing or resulting to any person, firm, or corporation who may be injured or damaged by Grantee or its agents in the performance of the Project.

16. Bankruptcy of Third Parties. In the event that any Sub-grantee (or other entity other than Grantee) receiving Grant funds files bankruptcy owing Grantee, the Board or other entities any money, it shall be the sole responsibility of Grantee to (i) immediately notify the Board and (ii) pursue all reasonable claims against the debtor in bankruptcy to obtain the maximum payment allowed by law. To the extent that Grantee fails to pursue the debtor in bankruptcy and obtain the maximum payment allowed by law, Grantee shall be responsible for all amounts paid to such Third Party that are not returned to Grantee; and no Grant Funds may be expended to replace such monies or payments represented by claims against the Third Party.

17. Remedies. In the event of Grantee's non-compliance with any provision in this Agreement, Grantee agrees that the Board may take any actions authorized by law or by this Agreement, including but not limited to those described in 9 N.C.A.C. 3M.0401. These remedies include, but are not limited to, reducing or suspending Grant funds or terminating the Grant, including the withdrawal of all funds described in this Agreement except for funds already expended on otherwise eligible activities which may not be recaptured or deducted from

future grants. The Board may also require Grantee to reimburse Grantee's Program account for improperly expended funds by Grantee or any Subgrantee or other Third Party.

a. The grant is subject to repayment upon discontinuation of the facility as a primary PSAP. Repayment shall be determined on a pro-rated basis if discontinuation occurs within ten years of the effective date of this Agreement. Repayment amounts shall equal a sum equal to the Grant Funds multiplied by a fraction, the numerator of which is the number of years or fractions thereof remaining in a 10 year period from the Effective Date and the denominator of which is 10 years. The resulting sum shall be repaid to the Board as may be agreed by the Parties, provided that the term for repayment shall not exceed the years represented in the numerator described above. If any such sum is not repaid, the Board may reduce distributions from the 911 Fund in like amounts. This obligation shall survive the End Date.

b. Upon non-compliance with the applicable provisions of 9 N.C.A.C. 3M, the Board shall take measures under .0801 of that Subchapter to ensure that the requirements are met, including: communicating the requirements to the non-State entity; requiring a response from the non-State entity upon a determination of noncompliance; and suspending payments to the non-State entity until the non-State entity is in compliance.

c. Pursuant to 9 N.C.A.C. 3M.0703(11), the Parties may terminate this Agreement with 60 day's notice by mutual consent, or as otherwise provided by law. Pursuant to 9 N.C.A.C. 3M.0703(13), unexpended grant funds shall revert back to the Board upon termination of the Agreement, unless otherwise provided by applicable laws, rules, regulations or orders.

d. However, no termination of this Agreement or the Grant (i) removes Grantee's liability regarding any Grant funds improperly expended (including the Board's enforcement abilities to recover such funds) or (ii) removes Grantee's existing and continued obligations and liabilities with respect to Grant funds already properly expended (including the Board's enforcement abilities).

18. Entire Agreement. This Agreement supersedes all prior agreements between the 911 Board and Grantee; and expresses the entire understanding of the Parties with respect to the transactions contemplated herein, and shall not be amended, modified or altered except pursuant to a writing signed by both Parties.

19. Grantee Representation and Warranties. Grantee hereby represents and warrants that:

a. Grantee is duly organized and validly existing as a unit of local government under the laws of the State of North Carolina.

b. This Agreement constitutes a binding obligation of Grantee, enforceable against it in accordance with its terms. The execution and delivery of this Agreement have been duly authorized by all necessary action on the part of Grantee and does not violate any applicable organizational documents of Grantee, or any agreement or undertaking to which it is a party or by which it is bound.

c. Grantee shall allocate such further and sufficient funds to complete the project in a manner consistent with this Agreement and the Grant Application.

d. There is no action, suit, proceeding, or investigation at law or in equity or before any court, public board or body pending, or to Grantee's knowledge, threatened against or affecting it, that could or might adversely affect the Project or any of the transactions contemplated by this Agreement or the validity or enforceability of this Agreement or Grantee's ability to discharge its obligations under this Agreement.

e. All consents or approvals necessary from any governmental authority as a condition to the execution and delivery of this Agreement have been obtained by Grantee. Grantee shall provide the 911 Board with evidence of the existence of all such contracts at the time of the execution of this Agreement.

f. The Grantee will notify the 911 Board Executive Director of any significant problems relating to the administrative or financial aspects of the award, such as misappropriation of funds; use of 911 Funds for non-eligible expenses; placement or retaining 911 funds in any account other than the Emergency System Telephone Fund.

20. Performance Measures. Grantee shall ensure that its contracts with third parties include performance measures that provide remedies ensuring protection of the Grant Funds, any matching funds or funds from other sources, and that secure completion of this Agreement consistent with the time and budget for the Project. Specific measures are within the discretion of Grantee, and Grantee shall consider including measures including one or more of the following:

a. Requiring terminated vendors to provide costs of cover for replacement goods or services.

b. Termination of vendor contracts for cause and vendor's forfeiture of rights to payment.

c. Grantee's ownership, or free use, of all planning materials, estimates, drafts, plans, drawings and similar items or information produced by Grantee's vendors in the event of termination for any reason.

d. Grantee's requirement that its vendors provide contract security for their performance, including but not limited to, bonds, letters of credit, escrows of funds or other assets, or like security.

e. Terms and conditions of agreements allocating damages and setting forth limitations of liability as may be necessary or proper to ensure that any breaches or failures to perform by Grantee's vendors, as a minimum measure,

f. Acceptance testing and warranties for any and all equipment, goods and services provided by Grantee's vendors of sufficient duration and measurement to ensure performance consistent with 911 center operations.

21. Subcontracting. Grantee shall not subcontract any of the work contemplated under this contract without obtaining prior written approval from the 911 Board. Any approved subcontract shall be subject to all conditions of this Agreement. Only the subgrantees specified in the Application are to be considered approved upon award of the contract. Grantee shall be responsible for the performance of any subgrantee; and shall require all subgrantees to comply with the provisions of the grant award, including this Agreement. Grantee shall be responsible for the performance of any subgrantee.

a. Grantee shall ensure that any subgrantee provides all information necessary or proper to ensure compliance with this Agreement and the timely completion of the Project.

b. The Grantee shall provide all necessary personnel, equipment, and facilities required to implement the work as stated in the Grantee's grant application and subsequently approved project schedules, budgets and project scope identified herein, in accordance with the stated objectives, goals, results, standards, and deliverables.

22. Excusable Delay (Force Majeure).
