

2019 Biennial Citizen Satisfaction Survey

Residents Grade Chatham County on Several Measures

About the Survey

- Phone survey of 400 residents over age 18
- Conducted October 19 – November 22, 2019
- Cell phones and landline phone numbers randomly selected
- Conducted by BKL Research, which performs many local government surveys
- Last conducted in 2017 with basically same questions

About the Survey

- Consisted of 39 core questions and related subparts:
 - Satisfaction about Chatham County as a place to live and work
 - Feedback on ways people get information on county government
 - Feedback on services and how well staff provided them
- Respondents were asked open-ended questions:
 - To get more detail where low marks were given
 - To gain insight on the most pressing or challenging issues facing Chatham County

About the Grades Used in the Results

- The grading scale was converted into a 4.0 scale by assigning numerical equivalents to grades:
 - A = 4
 - B = 3
 - C = 2
 - D = 1
 - F = 0
- The means were converted to grades using a chart.

Overall Results
