

Chatham County Solid Waste & Recycling

Borrow-A-Bin Instructions

Step 1

Open the frame with the double bar at the top.

Step 2

Using two hands, pull the top edge of a bag over the double bar towards you about 6 inches.

Step 3

Still using two hands, pull the top edge of the bag under the double bar about 6 inches, wrapping it under and around the rounded corner.

Step 4

Grasp both sides of the bag. Pull down on it to tighten the bag around the corners.

Step 5

Repeat steps 2 to 4 on the other side of the bag. Push the frame together slightly to be able to pull the bag out 6 inches.

Step 6

Snap the lid into the frame.
