

Resolution by Chatham County to Approve the Asbury Water System Water Shortage Response Plan

WHEREAS, North Carolina General Statute 143-355 (l) requires that each unit of local government that provides public water services or plans to provide such services shall, either individually or together with other such units of local government, prepare and submit a Water Shortage Response Plan; and

WHEREAS, as required by the statute and in the interest of sound local planning, a Water Shortage Response Plan for Chatham County has been developed and submitted to the Board of Commissioners for approval; and

WHEREAS, the Board of Commissioners finds that the Water Shortage Response Plan is in accordance with the provisions of North Carolina General Statute 143-355 (l) and that it will provide appropriate guidance for the future management of water supplies for Chatham County, as well as useful information to the Department of Environment and Natural Resources for the development of a state water supply plan as required by statute;

NOW, THEREFORE, BE IT RESOLVED by the Board of Commissioners of Chatham County that the Water Shortage Response Plan entitled "Water Shortage Response Plan Chatham County Asbury Water System, North Carolina" dated July 19, 2010, is hereby approved and shall be submitted to the Department of Environment and Natural Resources, Division of Water Resources; and

BE IT FURTHER RESOLVED that the Chatham County Board of Commissioners intends that this plan shall be revised to reflect changes in relevant data and projections at least once every five years or as otherwise requested by the Department, in accordance with the statute and sound planning practice.

Adopted this the 16th day of August, 2010, Pittsboro, North Carolina.
