

RESOLUTION BY CHATHAM COUNTY AUTHORIZING APPLICATIONS FOR FUNDING UNDER THE AMERICAN RECOVERY AND REINVESTMENT ACT OF 2009

WHEREAS, the American Recovery and Reinvestment Act of 2009 is anticipated to make loans and grants available to aid eligible units of government in financing the cost of infrastructure improvements; and

WHEREAS, Chatham County has need for and intends to construct a wastewater or drinking water system project described as the construction of a new 500,000 gallon elevated water storage tank on Joe Womble Road, including site work, valves, piping, and all related appurtenances. The tank is proposed to be constructed adjacent to the County's existing 300,000 gallon "3M" elevated water storage tank and will significantly increase the amount of finished water storage in the County's southeast district; and

WHEREAS, Chatham County intends to request state grant and/or loan assistance for the project.

NOW THEREFORE BE IT RESOLVED, BY THE BOARD OF COMMISSIONERS OF CHATHAM COUNTY:

That Chatham County, the **Applicant**, will arrange financing for all remaining costs of the project, if approved for a State grant and/or loan award.

That the **Applicant** will adopt and place into effect on or before completion of the project a schedule of fees and charges and other available funds which will provide adequate funds for proper operation, maintenance, and administration of the system and the repayment of all principal and interest on the debt.

That the governing body of the **Applicant** agrees to include in the loan agreement a provision authorizing the State Treasurer, upon failure of Chatham County to make scheduled repayment of the loan, to withhold from Chatham County any State funds that would otherwise be distributed to the local government unit in an amount sufficient to pay all sums then due and payable to the State as a repayment of the loan.

That the **Applicant** will provide for efficient operation and maintenance of the project on completion of construction thereof.

That Charlie Horne, County Manager, the **Authorized Official**, and successors so titled, is hereby authorized to execute and file an application on behalf of the **Applicant** with the State of North Carolina for a grant and/or loan to aid in the construction of the project described above.

That the **Authorized Official**, and successors so titled, is hereby authorized and directed to furnish such information as the appropriate State agency may request in connection with such application or the project: to make the assurances as contained above; and to execute such other documents as may be required in connection with the application.

That the **Applicant** has substantially complied or will substantially comply with all Federal, State, and local laws, rules, regulations, and ordinances applicable to the project and to Federal and State grants and loans pertaining thereto.

Adopted this the 16th day of March, 2009, Pittsboro, North Carolina.
