**RESOLUTION IN SUPPORT OF PROJECTS TO BE INCLUDED IN THE
TRANSPORTATION IMPROVEMENT PROGRAM (TIP) 2009-2015 FOR
PROJECTS IN CHATHAM COUNTY IN THE
TRIANGLE AREA RURAL PLANNING ORGANIZATION**

Whereas, the North Carolina Board of Transportation, every two years, develops a Transportation Improvement Program that identifies transportation projects over the next seven years; and

Whereas, the North Carolina Board of Transportation requests candidate projects be submitted by local jurisdictions for the 2009-2015 Transportation Improvement Program update; and

Whereas, the Transportation Improvement Program provides an opportunity to develop multi-modal facilities and services throughout Chatham County and its' incorporated jurisdictions; and

Whereas, the Chatham County Board of Commissioners is a member of the Triangle Area Rural Planning Organization and works cooperatively to encourage interconnected transportation facilities; and

Now, Therefore, Be It Resolved by the Chatham County Board of Commissioners that:

1. The attached list of transportation projects for each jurisdiction is considered for inclusion into the 2009-2015 Transportation Improvement Program.
2. Transportation projects listed in the 2007-2013 Transportation Improvement Program continue to be supported.

Respectfully Adopted, this the 19th day of March, 2007.

Carl Thompson, Chairman

ATTEST:

Sandra B. Sublett, CMC, Clerk to the Board
Chatham County Board of Commissioners

**CHATHAM COUNTY LIST OF TRANSPORTATION PROJECTS
CONSIDERED FOR INCLUSION IN THE
2009-2013 TRANSPORTATION IMPROVEMENT PROGRAM**

1. Widen NC 751 from two lanes to four lanes with bike lanes from US 64 to the Durham County Line. This project has also been included in the Durham-Chapel Hill-Carrboro Metropolitan Planning Organization candidate project list.
2. Construct an interchange at the intersection of US 421 and SR 2110 (Alston Bridge Road). This will provide improved access to property owned by Chatham County for an industrial park.
3. Widen shoulders on NC 87 from the US 64 Bypass to the Alamance County line.
4. Widen and improve the existing lanes of SR 1916 (Corinth Road) between SR 1011 (Old No. 1) and NC Highway 42 and add turn lanes for industrial access driveways. Corinth Road has numerous heavy industrial uses and the associated truck traffic has caused the road to deteriorate.
5. Widen and add bicycle lanes to the existing lanes of SR 1972 (Pea Ridge Road) between SR 1011 (Old No. 1) and No. 1. SR 1972 (Pea Ridge Road) is a bicycle route on the Chatham County Bicycle Map prepared by the NCDOT Division of Bicycle and Pedestrian Transportation.
6. Widen 15-501 from 2 lanes to 4 lanes with bicycle lanes from the proposed 15-501 Pittsboro Bypass (TIP Project R-2628) to the existing 4 lane section in the City of Sanford.
