Resolution

For Southeast Chatham Water District Restriction on Future Water Service And Site Selection to Protect Floodplains

WHEREAS, The Southeast Chatham Water District will not install a new water service or will not otherwise agree to provide water service of any type to any structure or other improvement which is located in whole or in any part within any designated 100-year floodplain; and

WHEREAS, The latest version of flood insurance rate maps published by the Federal Emergency Management Agency (FEMA) will be used to determine the location of 100-year floodplains; and

WHEREAS, An exception is to be made and service is to be provided upon request by the property owner when a building or structure located within a 100-year floodplain is already existing or committed (all building permits obtained) before the delivery of the Letter of Conditions from Rural Development offering financial assistance for the project.

NOW THEREFORE BE IT RESOLVED, that the Chatham County Board of Commissioners requests, that in order to minimize the potential impact on the 100-year floodplains, the Southeast Chatham Water District adopt and enforce the above resolution.

Bunkey Morgan, Chairman
