Resolution Approving The Revision of the Written Description and Map of the Parkwood Fire District

Whereas, the resident freeholders presented to the Chatham County Board of Commissioners a petition for the revision of the Parkwood Fire District within the confines of Chatham County described as follows:

Beginning at Point #1 where primary road NC Highway #751 enters Chatham County at the Chatham/ Durham County boundaries, thence westerly to Point #2 at B. Everett Jordan Lake, thence southerly along the lake to Point #3 at the bridge over Northeast and Panther Creek, thence easterly along the Northeast and Panther Creek to Point #4 at the Chatham/Wake County boundaries, thence northerly along the Chatham/Wake County boundaries to Point #5 at the intersection of the Chatham/Wake/Durham County boundaries, thence westerly along the Chatham/Wake County boundaries to the beginning at Point #1.

Whereas, the Chatham County Board of Commissioners approved by Resolution the creation of the Parkwood Fire District within the confines of Chatham County on June 29, 1987; and

Whereas, the revision of the Parkwood Fire District written description and map clarifies but does not change the boundaries of the Parkwood Fire District; and
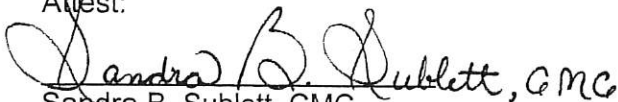

Whereas, the revision of the written description and map of the Parkwood Fire District within the confines of Chatham County will assist emergency services providers and other County departments in delivery of services.

Now Therefore Be It Resolved That the Chatham County Board of Commissioners pursuant to the authority of the Board accepts the revision of the written description and map of the Parkwood Fire District as recommended by the Chatham County Fire Marshal within the boundary of Chatham County.

Adopted this the 4th day of August, 2003.
