WHEREAS, North Carolina General Statute 143-64.32 provides that units of local government may in writing exempt particular projects where an estimated professional fee for architectural, engineering and/or surveying services is in an amount of thirty thousand dollars (\$30,000) or more from the provisions of North Carolina General Statute 143-64.31 stating the reasons therefor and the circumstances attendant thereto, and

WHEREAS, the estimated professional fee for these services for this project is in excess of this amount.
