Resolution Extending Chatham County Fire District Insurance Rated Boundaries from Five Miles to Six Miles

WHEREAS, significant improvements in fire service have been made throughout North Carolina and the Office of State Fire Marshal (OSFM) recognizes these increased capabilities and training; and

WHEREAS, these improvements have prompted OSFM authorization of counties to request extensions of fire insurance rated districts from five to six miles; and

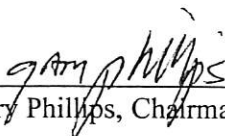

WHEREAS, this change from five to six mile boundaries may result in substantial reduction in insurance rates for some Chatham County residents; and

WHEREAS, the county has prepared accurate maps and written descriptions for review by the OSFM and

WHEREAS, General Statute 153A-233 gives County Commissioners the authority to approve changes in fire insurance rated district boundaries.

NOW, THEREFORE, BE IT RESOLVED by the Board of Commissioners of the County of Chatham, North Carolina that the insurance rated boundaries for Fire Departments serving Chatham County be increased from five miles to six miles.

Adopted this, the 2nd day of April, 2001.
