## RESOLUTION IN SUPPORT OF THE SUBMISSION OF A COMMUNITY DEVELOPMENT BLOCK GRANT FOR INFRASTRUCTURE

**WHEREAS**, The County of Chatham is aware of the public health and environmental threats posed by failing septic systems, straight-piping, and outhouses in the Stockyard Road project area; and

**WHEREAS**, the Stockyard Road project area is located in close proximity to the Siler City wastewater collection system; and

**WHEREAS**, the Siler City Town Manager's office has provided written confirmation that their wastewater treatment plant has capacity to accept sewage from the Stockyard Road project area; and

**WHEREAS**, the North Carolina Rural Communities Assistance Project, Inc. together with the American Water Works Association/Water Environment Federation's Outreach Committee provided pro bono services to produce a preliminary engineering report for wastewater system options for the Stockyard Road project area; and

**WHEREAS**, Chatham County shall act as the agency to submit an application to the North Carolina Department of Commerce, Division of Community Assistance for a Community Development Block Grant for Infrastructure. The County will in turn utilize grant funds to provide sewer service to the project area.

**NOW THEREFORE BE IT RESOLVED** that the Board of Commissioners of Chatham County hereby support the submission of a CDBG Application to the Infrastructure Program for the extension of a sewer line to the Stockyard Road project area.

Adopted, this the 15<sup>th</sup> day of May, 2000.

Rick Givens, Chairman
