Re: Herndon Farms Development Transit Stop

Ms. McAdams,

Thank you for reaching out concerning the proposed transit stop in the Herndon Farms Development. After reviewing your site plan, I feel that the proposed transit stop will be a great option for your development and Chatham Transit Network.

I am very pleased that transportation is a part of this development as it will bring new opportunities for Chatham Transit Network and expanding the current service we offer.

Please keep me updated as the project moves forward and reach out if there is any assistance I can offer in regards to transportation.

Regards,
