RE: Lutterloh Inability to Collocate Statement

Dear Sir or Madam,

Section 2-3.2 of the Chatham County Wireless Telecommunications Ordinance (the "Ordinance") requires the following:

g) Proposed towers may not be located closer than one and one-half (1.5) miles from an existing tower unless need can be demonstrated. The Applicant shall provide a map of all other towers located within three (3) miles of the proposed tower location, along with information as to the heights of all such other towers.

Please let this letter serve as certification that there are no existing or approved towers within a 1.5 mile radius or 3 mile radius of the proposed tower. There is a Chatham County EOC Tower located just outside of the 3 mile radius at the Chatham County Landfill that will not provide coverage for the targeted area. Therefore, co-location is not possible and construction of the new Lutterloh tower is necessary.
