Denise: Thanks for the follow up.

I have deleted the roads you have indicated as a no go and added (2) others (highlighted).

Let me know if the (2) additional names are OK.

thx

Page originated from outside the Chatham County email system. Do not click links or open attachments unless you recognize the sender and know the content.

I have included a spreadsheet with the proposed names in alphabetical order.

We are hoping to get at least (40) names approved from the list of (50).

thx
