Re: Development Input Meeting for Hawk Point Road Extension on January 12, 2022.

Dear Adjacent Property Owner:

This letter is to invite you to a community meeting regarding the realignment and extension we are proposing for the end of Hawk Point Road near your property. This project will impact Parcel Numbers 0092282 and 002817. An informal community meeting will be held on Wednesday, January 12, 2022 beginning at 5:00pm at The Alpha Center at 697 Hillsboro Street, Suite 350 in Pittsboro, and lasting approximately one hour. Detailed directions are attached. Plans of our proposed project will be shown and you will have the opportunity to voice your concerns and ask questions of people knowledgeable about the details of our project. Our plans may be revised based on your input before we submit to the County. This meeting is required as part of the County subdivision process; however County staff will not participate in the meeting. We are planning to submit our official plans to the County Planning Department in the near future. You will receive a notice from the County about this submittal once the application has been made. We would appreciate your attendance and input at the community meeting. If you have questions before the meeting you may contact the person noted below. A copy of the map showing our proposed project is attached and can also be viewed on the Chatham County web site at www.chathamcountync.gov/planning under the Planning Links & News, Concept Plans.

Sincerely,

Susan Joplin
