### *Resolution to Request an Increase in the Reimbursement Rate for Adult Developmental Activity Programs*

**WHEREAS**, Adult Developmental Activity Programs (ADAP's) are vocational programs for adults with developmental disabilities; and

**WHEREAS**, the State reimbursement rate for ADAP's has declined from a high of 68 percent of cost a decade ago to the current rate of 58 percent (as reported by the Division of Mental Health, Developmental Disabilities, and Substance Abuse Services); and

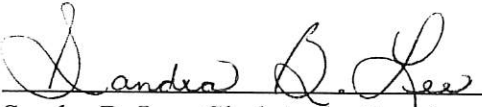

**WHEREAS**, this continued erosion of State support threatens the long-term viability of ADAP's across the State and the quality of services provided by our ADAP's;

**NOW, THEREFORE, BE IT RESOLVED** by the Board of Commissioners of the County of Chatham that the Board supports the legislative action to increase State support of ADAP's to 70 percent of cost in 1995.

Adopted this, the 13<sup>th</sup> day of March, 1995.

  
Uva Holland, Chair  
Chatham County Board of Commissioners
