

Are you caring for a loved one at home?

If so, you might be eligible for Coordinated Caregiving, a new caregiver coaching and support program available to Medicaid-eligible older adults and people with disabilities in North Carolina.

Caring for a loved one can be both overwhelming and costly. Seniorlink's Coordinated Caregiving program provides on-going support for you as you care for your loved one at home.

Caregivers receive:

- > Ongoing support from a professional care coach
- > Access to our secure mobile app, Vela, to connect you with your coach
