# DOWNLOADING EBOOKS & AUDIOBOOKS
# ON YOUR APPLE OR ANDROID DEVICE

1. Download and install the Libby app
- Open the App Store on your Apple device, or the Google Play Store on your Android device.
- In the search box, type *Libby*.
- The first result should be Libby, by OverDrive. Tap *Install*. (On Apple devices, tap *Get*, then *Install*.)

2. Set up your library
- Open the Libby app by tapping on it.
- If you have a library card, tap *Yes*.
- Choose *I'll Search for a Library*.
- Search for E-iNC, then tap on *E-iNC Library* in the list. (Don't worry if you see a different library name listed under E-iNC Library.)
- Tap *Choose a Location* and select Chatham County Public Library from the drop-down list.

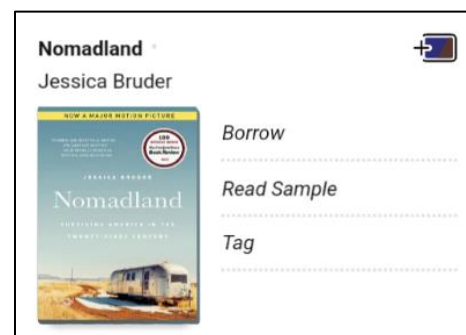

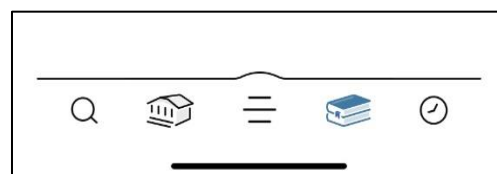

3. Add your card
- Enter your card number when prompted (the entire number with no spaces) and tap *Next*.
- Enter your PIN (last four digits of your card number).
- Tap *Sign In*.

4. Checking out a book and placing holds
- There are two main ways to find books: searching the catalog and browsing the collections.
- To search: Tap on the magnifying glass at the bottom left of the screen and type in your search.
- To browse collections: Tap the library icon next to the magnifying glass. Browse by subject, what's available, etc.
- Once you find an item you're interested in, tap *Borrow* to check it out. (If it's in use, the *Place Hold* button will appear instead.)

For assistance, call 919-545-8086, email reference@chathamlibraries.org, or chat with us at www.chathamlibraries.org.
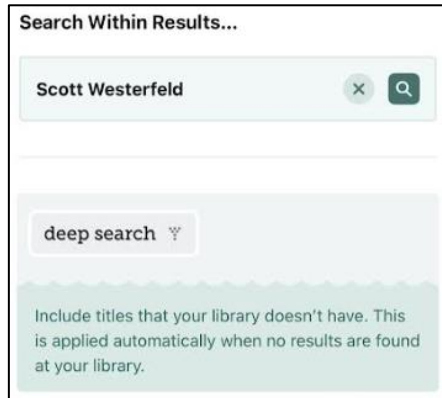

5. Reading a book and listening to audiobooks

- View a list of items you have checked out by tapping on *Shelf* (which looks like a stack of books) at the bottom of the screen.
- Read/listen to a book you have checked out by tapping the *Read With…* link to the right of the cover. (This link will change to *Open* once you've made your selection.)
- To return or renew a title, tap *Manage Loan*, then choose the appropriate option.

6. Recommending titles

- If an item you're searching for is not available, you can recommend it through the deep search function.
- Tap the filter menu ☰ near the top of the search screen.
- Scroll down and tap the *deep search* filter, then tap the *Show Titles* button.
- When you find the title you're looking for, tap *Notify Me.* You will be notified by email if the title is added to the collection.

If you run into any issues, visit **help.libbyapp.com** or contact us for assistance.
