Jason and Kim: Please see the email chain below with confirmation from James that the following statement is accurate. We plan to resubmit tomorrow. Please advise if this email is satisfactory?

"USACE has received a PJD package from Terracon for the above project on July 26, 2022. I plan to approve this PJD thru a desktop review but have not had the opportunity to complete the approval process yet."

See below for full email chain.

James,

Chatham County has said today they would be fine with an email from you confirming that the below statement is accurate.

USACE has received a PJD package from Terracon for the above project on July 26, 2022. I plan to approve this PJD thru a desktop review but have not had the opportunity to complete the approval process yet.

Can you respond and confirm the above statement is accurate?

Thanks
Jeff
