To: Jason Sullivan <jason.sullivan@chathamcountync.gov>, Kimberly Tyson <kimberly.tyson@chathamcountync.gov>

Cc: "Monroe, Roosevelt J" <rjmonroe@ncdot.gov>, "Kimes, Tyler J" <tjkimes@ncdot.gov>, Warren Mitchell <warrendmitchellpe@gmail.com>, Zak Shipman <zak@shipmanengineering.com>

Jason and Kimberly,

Per a request from the developer's engineer, this email is to inform you the Pyewacket Subdivision is substantially approvable by NCDOT. The plan review material outstanding right now is the cast-in-place culvert design which will be reviewed by our Structures unit. NCDOT Hydro has approved the culvert capacity and overall drainage plans, and the District has reviewed the roadway design aspects.

If you have any questions, please call or email me.

Thanks,

Jen Britt, EI  
Assistant District Supervisor  
Division of Highways, Division 8 - District 1  
NC Department of Transportation

Jen:

Thank you so much for your help on Pyewacket. Would you mind sending Kim Tyson and Jason an email regarding the DOT review of Pyewacket? I understand that you cannot issue final approval until the culvert structural plans are approved. BTW, the structural engineer is working on the design and we should be able to submit the plans in about a week.

I hope you have a great vacation.

Thank you Jen,

Warren Mitchell
