STANDARD CONDITIONS FOR ARP GRANTS

1. Acceptance of this Funding Offer does not exempt the Recipient from complying with requirements stated in the U.S. Treasury's Final Rule for the Coronavirus State and Local Fiscal Recovery Funds (SLFRF) and the SLFRF Compliance and Reporting Guidance not explicitly referred to in this document and any future requirements implemented by the U.S Treasury.
2. Acquisition of Real Property must comply with all applicable provisions of the Uniform Relocation and Real Property Acquisition Policies Act of 1970 (PL 92-646), as amended. The Recipient shall certify that it has or will have a fee simple or such other estate or interest in the site of the project, including necessary easements and rights-of-way, to assure undisturbed use and possession for the purpose of construction and operation for the estimated life of the project using a certification form provided by DEQ.
3. Specific MBE/WBE (DBE) forms and instructions are provided that are to be included in the contract specifications. These forms will assist with documenting positive efforts made by recipients, their consultants, and contractors to utilize disadvantaged businesses enterprises. Such efforts should allow DBEs the maximum feasible opportunity to compete for subagreements and subcontracts to be performed. Documentation of efforts made to utilize DBE firms must be maintained by all recipients, and construction contractors, and made available upon request.
4. Subrecipients shall fully comply with Subpart C of 2 CFR Part 180 entitled, "Responsibilities of Participants Regarding Transactions Doing Business with Other Persons," as implemented and supplemented by 2 CFR Part 1532. Recipient is responsible for ensuring that any lower tier covered transaction, as described in Subpart B of 2 CFR Part 180, entitled "Covered Transactions," includes a term or condition requiring compliance with Subpart C. Recipient is responsible for further requiring the inclusion of a similar term or condition in any subsequent lower tier covered transactions. Subrecipients may access suspension and debarment information at: <http://www.sam.gov>. This system allows subrecipients to perform searches determining whether an entity or individual is excluded from receiving Federal assistance.
5. Projects with a total cost of \$10,000,000 or more must meet U.S. Treasury requirements for prevailing wage rates, project labor agreements, and related requirements. Recipients can either certify meeting the requirements or provide plans and reports as the SLFRF Compliance and Reporting Guidance specifies.
6. The Uniform Guidance 2 CFR 200.317 through 2 CFR 200.327 gives minimum requirements for procurement, with 2 CFR 200.319(b) addressing engineering services procurement guidelines. ARP-funded projects must also adhere to North Carolina State law, specifically NC General Statute 143-64.31, Article 3D Procurement of Architectural, Engineering, and Surveying (A/E) Services. NCGS 143-64.32 cannot be used to exempt Recipients from a qualification-based selection for A/E. The State provides applicable certification forms that must be completed prior to receiving funds for any engineering services covered under this funding offer.
7. Local government units designated as distressed must complete associated requirements of statute §159G-45(b).
8. Funds made available by the ARP that are not disbursed to the entity accepting the funds in this document by December 31st, 2026, will no longer be available for the project. Unused Federal funds will revert from the State of North Carolina to the U.S. Treasury.

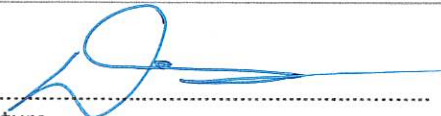

STANDARD ASSURANCES FOR MRF GRANTS

1. The Recipient acknowledges that no disbursements will be made until applicable service agreements or contracts are submitted. The description of work listed on invoices must be included in the scope of work shown on the agreements or contracts.
2. The Recipient is responsible for paying for ineligible project costs as determined by the Division.
3. The Recipient agrees to establish and maintain a financial management system that adequately accounts for revenues and expenditures. Adequate accounting and fiscal records will be maintained during the construction of the project and these records will be retained and made available for a period of at least three (3) years following completion of the project.
4. All ARP funds shall be expended solely for carrying out the approved project, and an audit shall be performed in accordance with G.S. 159-34. Partial disbursements will be made promptly upon request, subject to adequate documentation of incurred eligible costs, and subject to the Recipient's compliance with the Standard Conditions and Assurances of this Award. The Recipient agrees to make prompt payment to its contractor, and to retain only such amount as allowed by North Carolina General Statute. Requests for reimbursement must be made using the Division's reimbursement form.
5. All funds provided pursuant to North Carolina General Statute 159G must be expended solely for carrying out the approved project, and an audit shall be performed in accordance with G.S. 159-34, as amended. **The Recipient must expend all of the requisitioned funds for the purpose of paying the costs of the project within three (3) banking days following the receipt of the funds from the State.** Please note that the State is not a party to any contract(s) and the Recipient is expected to uphold its contract obligations regarding timely payment.
6. The Recipient must provide summaries of project progress every other month during the project or as otherwise directed by the Division.
7. The Recipient must provide a digital copy of the final report in a universally readable format including GIS shape files as applicable.
8. The Recipient must provide an executive level summary of the work performed, any conclusions made, and the next steps to be taken as a result of this work.
9. The Recipient must provide approved minutes or a resolution confirming the final report has been presented to the recipient's governing board.
10. A maximum of 95% of the grant will be paid prior to receipt of the documentation described in Standard Assurance Nos. 7, 8, and 9. After receipt of this documentation, the final reimbursement request will be processed.

Acknowledgement of Standard Conditions and Assurances

The Recipient hereby gives assurance to the Department of Environmental Quality that the declarations, assurances, representations, and statements made by the Applicant in the Application; and all documents, amendments, and communications filed with the Department of Environmental Quality by the Applicant in support of its request for financial assistance will be fulfilled.

NC DEQ Division of Water Infrastructure Professional Engineering Services Procurement

Section 602(b)(14) of the Clean Water Act requires projects receiving Clean Water State Revolving Fund funding to comply with engineering procurement guidelines. North Carolina Session Law 2021-180 authorizes the Division of Water Infrastructure (Division) to award grant funds from the American Rescue Plan Act (ARPA) State Fiscal Recovery Fund for drinking water, wastewater, and stormwater infrastructure projects. The Uniform Guidance 2 CFR 200.317 through 2 CFR 200.327 gives minimum requirements for procurement, with 2 CFR 200.319(b) addressing engineering services procurement guidelines.

To comply, you must follow North Carolina General Statute 143-64.31, Article 3D Procurement of Architectural, Engineering, and Surveying Services. You cannot exempt yourself using NCGS 143-64.32. Complete and sign this form and provide the information indicated to ensure that engineering services for your project are eligible for reimbursement.

Applicant: Chatham County

Project Name: Western Intake Partnership Regionalization Study

-
- 1) List the basic services being provided: (i.e., planning, design, inspection etc.)
Program Management, Governance, Intake and Transmission Infrastructure Preliminary Engineering, and Regional Water Treatment Facility Preliminary Engineering
 - 2) Describe the method of announcement for the project.
This is a regionalization feasibility study for Chatham County, City of Durham, Orange Water and Sewer Authority, and Town of Pittsboro with the City of Durham as the lead agency. The City of Durham procured all services. The City of Durham's Procurement Certification (for MRF-D-ARP-0013) provides details of procurement process for each service contract.
 - 3) List the firms the announcement was discussed with or that proposals were received from in order of quality.
The City of Durham procured all services. The City of Durham's Procurement Certification provides details of the firms associated with each service contract.
 - 4) Was a contract negotiated with the best qualified firm? Yes No (Check one)
If no, explain why.
Per the City of Durham's Procurement Certification

NOTE: Documentation of Qualification-Based-Selection of Engineering Services shall be provided to the Division upon request (to include announcement and qualifications requested).

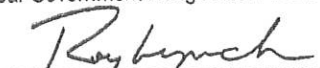

By signing below, I Dan LaMontagne, the Authorized Representative designated for this project in the project application, attest that **the City of Durham procured engineering services and based on the City of Durham's Procurement Certification** the contract pricing, as seen in the attached contract(s), contains pricing that is fair and reasonable based on scope, complexity, professional nature, and the estimated value of the services being provided and the firm selected, was selected based on their qualifications.
