

## **EXHIBIT H**

### **(Historical/Cultural Sites or Structures)**

The Applicant met with members of the Chatham County Historical Association on October 4, 2023 at the subject property for a site visit. The Applicant and members discussed preservation efforts for the tobacco sheds and other structures located on the property. The members offered assistance and information to help with restoration efforts. The members were pleased with the Applicant's dedication to preserving as much of the history and charm of the property as practicable. The Applicant will continue to communicate with the Historical Association as development progresses.
