4. Check Land Information box. Place curser under Land Information and enter to display dropdown choices. Check Township Boundaries. Address Points and Parcels should automatically be checked, if not check these boxes as well.

 Check Land Use Planning box. Place curser under Land Use Planning. Check dropdown boxes for Extra-Territorial Jurisdictions (ETJ's), Cary, Siler City, Pittsboro, Goldston, Apex and County Zoning.

6. Insert Property Address and enter. Choose correct address and Parcel will display with Parcel Number.

7. Click inside the parcel and a box displaying information will appear. Click on the right arrow at top of box. Each box will display information. This is where all of your information such as Parcel Number, Township and Jurisdiction will appear. This information can be inserted into your application where required.
