Re: Engineering Plans and Specifications Approval  
Distribution Extension  
Hawk Point Road Extension  
Chatham County Water System  
Water System No.: NC0319126, Chatham County  
Serial No.: 23-00783

Dear Applicant:

Enclosed please find one copy of the "Application for Approval..." together with one copy of the referenced engineering plans and specifications bearing the Division of Water Resources stamp of approval for the referenced project. These engineering plans and specifications are approved under Division of Water Resources Serial Number 23-00783, dated September 12, 2023.

Engineering plans and specifications prepared by Susan W. Joplin, P.E., call for the installation of approximately 325 linear feet of 8-inch water main, 45 linear feet of 2-inch water main, valves, fire hydrants, blowoff assembly, and other related appurtenances located approximately along Hawk Point Road in Chatham County. The proposed water main will connect to the existing 8-inch water main near the intersection of Hawk Point Road and Cardinal Ridge Road and extend along Hawk Point Road terminating at a blowoff assembly.

Please note that in accordance with 15A NCAC 18C .0309(a), no construction, alteration, or expansion of a water system shall be placed into service or made available for human consumption until the Public Water Supply Section has issued Final Approval. Final Approval will be issued and mailed to the applicant upon receipt of both an Engineer's Certification and an Applicant's Certification submitted in accordance with 15A NCAC 18C .0303 (a) and (c).

512 North Salisbury Street | 1634 Mail Service Center | Raleigh, North Carolina 27699-1634  
919.707.9100

These plans and specifications in the foregoing application are approved insofar as the protection of public health is concerned as provided in the rules, standards and criteria adopted under the authority of Chapter 130A-317 of the General Statutes. This approval does not constitute a warranty of the design, construction or future operation of the water system.

One copy of the "Application for Approval..." and a copy of the plans and specifications with a seal of approval from the department are enclosed. A second copy (CD) of the approved documents is being forwarded to our Raleigh Regional Office. The third copy (CD) is being retained in our office.

If the Public Water Supply Section can be of further service, please call (919) 707-9100.

Sincerely,

DocuSigned by:
