Kimberly,

Please accept this email as notification of intent for approval of the Flatiron Forest subdivision plans sealed by Craig Nursey, PE, 11/2/2023. This office is awaiting the driveway permit fee, but the subdivision plans are ready to approve along with the driveway permit. I have attached the first few pages of their plan package for reference. We will co-copy you on the official approval once completed (expected next week).

If you have any questions, please let me know.

Thanks,
