RE: **Development Input Meeting** for the Western Intake Partnership (WIP) Regional Drinking Water Treatment Facility (Seaforth Road/North Pea Ridge Road) to be held on July 20, 2023

Dear Adjacent Property Owner,

This letter is to invite you to attend a community meeting regarding a rezoning matter relating to a regional drinking water treatment facility the WIP (Chatham County, City of Durham, Town of Pittsboro and Orange Water and Sewer Authority) proposes on approximately 122 acres near your property, on Parcel Numbers 17538 and 17546, near the intersection of North Pea Ridge Road and Seaforth Road. An informal community meeting will be held at the Holmes Meeting Room at the Chatham Community Library on Thursday, July 20, 2023 beginning at 6:30 pm and last approximately 1 hour. Detailed directions are on the back of this letter.

Preliminary site plans and other information will be presented, and you will have the opportunity to make comments and ask questions of people knowledgeable about the details of our project. The project plans may be revised based on your input before we submit our application to the County.

This meeting is part of the County zoning process; however, County Planning Department staff will not participate in the meeting. The Partnership is planning to submit our official plans to the County Planning Department in the future. You will receive a notice from the County about this submittal once the application has been made.

We would appreciate your attendance and input at the community meeting. If you have questions before the meeting, please email contact@westernintakepartnership.com. More information about the project can be viewed on the project website at www.westernintakepartnership.com

Sincerely,

C. Jeff Adkins, P.E.
WIP Program Manager
