Chatham County and the Town of Goldston understand that clear expectations make the application and development review processes easier for both applicants and staff. The policies outlined below will enable Planning Department staff to move the process along in a way that ensures that each application receives the attention it deserves. Staff desires to complete review of projects in an accurate and timely manner. Due to the preparation, reviews, and public hearing schedules, working with incomplete materials detracts from the timely review of applications.

1. Applications are to be reviewed for completeness by staff prior to being officially accepted for review. Applications that are dropped off or mailed in cannot be accepted without prior approval from the Watershed Administrator.
2. Checklists for each type of request are provided with each application package, if applicable. If the application does not contain all required items on the checklist, it will be considered incomplete and shall not be accepted.
3. Application fees must be paid at the time an application is submitted for acceptance. **Please provide ONE complete set of the application and all supporting materials when submitting.** More copies will be requested by the Planning Department (16 sets) once the sufficiency review period has been completed.
4. In order to allow time to process fees, applications will not be accepted after 4:00 pm each day.
5. For your convenience, applicants may schedule an appointment with staff to review the application package before the official submission.

The Planning Department staff looks forward to working with you during the application process. If you have questions or need further assistance, please call 919-542-8233.
