C&D Debris Management:

If this project is greater than 1,000 sq foot and located in an **un**incorporated area of Chatham County:

How will C&D debris be managed?	**If debris will be mixed, choose from the following C&D facilities licensed by Chatham County:**
Source Separated for Recycling	Meridian Waste Tri-Corners Landfill (formerly Coble's Sandrock, Inc)
Mixed & Sent to C & D Facility	Wall Recycling (formerly Gold Hill)
Combination of Both	Wall Recycling, Apex
	Meridian Waste Morrisville Transfer Station
	Meridian Waste Shotwell Environmental Park
	Meridian Waste Triad Transfer Station

Permit applicant must keep all receipts and weight tickets for one year from facilities accepting any C & D debris.

ASBESTOS:

HHCU notification of plans to demolish or renovate a building, including residences demolished for commercial or industrial expansion.

If no asbestos: Provide a copy of a HHCU NESHAP Demolition Notification permit for the structure or area to be demolished.

If asbestos: Provide a copy of the issued HHCU NESHAP Demolition Notification with Asbestos Removal permit for the structure or area to be demolished.

Contact the Health Hazards Control Unit, NC Department of Health and Human Services Division of Public Health at (919) 707-5950 with questions or to obtain NESHAP permits.

ABOVE OR UNDER GROUND FUEL STORAGE TANKS*: Contact the Chatham County Fire Marshal for permitting, fees and inspection information. Tank activity is NOT included with this demolition permit.

I hereby certify that I am making this application for the landowner or myself, and that the information given is correct and all work will comply with the State Building Code and all other applicable State and local laws and ordinances and regulations. The Inspections Department will be notified of any changes in the approved plans and specifications for the project permitted herein.
