Randy,

I hope you're doing well. We have a project that we're getting ready to submit for our first plat that we wanted to make you aware of. It is an extension of the existing Parks at Meadowview community off Parks Meadow Drive. It has 453 total units between townhomes and single-family lots.

I've attached a vicinity map to help locate it. Please let us know if you need anything else at this time or have any questions or comments.

Thanks,

David
