Our team is strong. You make us better.

Chatham County Aging Services is comprised of 24 staff members who work each day to provide older adults with a full range of activities, programs and services.

But volunteers are the engine that allow us to fulfill our mission and reach every corner of Chatham County. In many ways, you are the lifeblood of our department.

It's reflected in the over 31,000 meals served by Meals on Wheels drivers in the 2023-24 fiscal year, or the 252 volunteers that contributed over 15,000 hours of service to Chatham County's older adults.

And now, we want you.

MAKE A DIFFERENCE FOR OLDER ADULTS.

VOLUNTEER TODAY!

There's always something to do at our centers.

Whether it is serving as a Meals on Wheels driver, a counselor in the Seniors' Health Insurance Information Program (SHIIP), a preparer in the Volunteer Income Tax Assistance (VITA) program or another function, there are no shortage of volunteer opportunities with Aging Services.

The benefits of volunteerism are numerous, ranging from stress reduction, increased happiness, confidence development and a sense of purpose. We often find that volunteers often receive far more than what they give!

Where will you find your fit? We're just a call, click or email away.

Take it from those who know us best.

Once you're in the Aging Services volunteer family, we don't want you to leave. In fact, many never do.

Here are a few comments from some of the smiling faces we see each and every day:

"The people that we serve have become part of our family."

"The staff at (Aging Services) is so friendly! Plus, I feel great after delivering Meals on Wheels."
